

"Serenity and peace in the V Spa"

The letter 'V' derived from the Roman the numeral meaning of 5 represents the 5 senses we appeal to in the Spa treatment; sight, taste, smell, sound and touch

Welcome to The V spa

The V Spa aims at bringing back guest to nature built in the shape of a villages style the pretty small straw roofed Salas blend totally with the natural beauty of the jungle. Each has been designed with nature at heart and fashioned.

The four exclusive treatment huts equipped with double beds are mainly used for Body Treatments and Facial Treatments.

An imposing open-air four Salas standing around the small valley and canal is home to the Thai traditional massage whilst nearby is the indoor Steam & Jacuzzi bath is available for you to take a dip so as to refresh and cleanse your body before your selected massage treatment.

When in Thailand, don't forget to have a Traditional Thai Natural Touch Treatments. At The Vijitt Resort Phuket, you can have one right on the private spa executive room or at the open air Salas. Traditional Thai Natural Touch Treatments is soothing and relaxing it's definitely worth it. Try also the resort's Aromatherapy oil massage, Thai essential oils are used to penetrate your body and ensure long lasting health and beauty. It removes body aches, loosens knotted blood vessels, cures beriberi and helps your body systems recover from stress and anxiety. You will surely feel relaxed and rejuvenated.

Desert Detoxifying Care

60 mins/3,500 THB++

(For combination skins and oily skins)

The treatment begins with a relaxing welcome ritual. Through the use of Traditions d'Orient's Rhassoul mud, this treatment effectively and gently cleansing, detoxifying, removes impurities, and protect your skin from the oxidative stress. Rhassoul is ancient clay which is found deep under the Atlas Mountains in Morocco. The depth of these clay deposits makes Rhassoul very difficult to obtain. Thanks to Argan Oil's antioxidant properties it effectively combats the signs of aging and loose skin. Non-greasy, odourless and preservative-free, it nourishes and protects your skin thanks to its actions on the skin's water and lipid content. The higher oxygen content enables the epidermis to regenerate day after day.
